Qutaiba Aldandachi

Contact Information

- **Address**: Karlskrona, 37129 Sverige
- **Phone**: 0766400078
- **Email**: qutaebadandashi@gmail.com

Objective

Aspiring Java Developer with a solid foundation in object-oriented programming, currently studying Java development in Värnamo, Sweden. Seeking a practice position to apply my technical skills and gain hands-on experience in Java and web development, with a strong commitment to learning and contributing effectively to a team.

Skills

- **Programming Languages**: Java, Python, HTML, CSS, JavaScript, SQL

- **Frameworks & Tools**: Java Swing, Java Spring Boot, Microsoft Office, Linux, Networking, Cloud Computing (basic knowledge)

- **Languages**: Swedish (Very Good), English (Very Good), Arabic (Excellent)

- **Soft Skills**: Problem-solving, Team collaboration, Customer support, Adaptability, Technical support

---

Technical Experience

IT Technical Support Intern
Dar al-Alsson Institute, Damascus (Jan 2008 - Mar 2013)

- Provided technical support in an Agile environment, managing hardware and software issues for improved operational efficiency.
- Performed system upgrades, troubleshooting, and hardware replacements, ensuring systems operated reliably.

- Resolved network connectivity issues and maintained up-to-date logs on daily server tasks, supporting smooth office operations.

Cyber Cafe Attendant
Audio Net, Damascus (Jan 2008 - Jan 2009)

- Managed technical support and customer service for a busy internet café, troubleshooting network and hardware issues.
- Developed skills in data entry, analysis, and interpersonal communication while assisting customers with technical needs.

Work Experience

Nurse Assistant
Home Service, Karlskrona (Mar 2018 - Current)

- Assisted patients with daily care tasks, applied organizational skills to manage patient schedules, and provided consistent support during additional shifts.
- Demonstrated adaptability, communication, and time-management skills in a high-demand healthcare environment.

Cashier
La Roche Restaurant, Cairo (Jan 2014 - Aug 2014)

- Delivered excellent customer service, assisted with inventory, and resolved customer inquiries to support daily operations.
- Encouraged customer satisfaction and repeat business through attentive service and positive interactions.

Education

Java Development
Värnamo, Sweden (2024 - Current)

- Currently studying Java programming and software development, with a focus on object-oriented programming, Java Swing, HTML, CSS, JavaScript, and Java Spring Boot.

No Degree: Computer Science And Programming (CS50)
Harvard University (Online) - March 2023 - Present

No Degree: Networking, Cloud Computing And Linux
Online Courses - Sweden (2022 - 2022)

Degree D: Python
Vuxenutbildning Karlskrona - Karlskrona (Aug 2017 - Jan 2018)

A++: Learning Software And Hardware
Russian Cultural Center - Syria (Jan 2006 - May 2006)

Projects & Accomplishments

- **IT Troubleshooting & Technical Support**: Developed skills in diagnosing and resolving IT issues, including network and system troubleshooting.
- **Programming and Software Development**: Applied knowledge of Java and Python through coursework and self-directed projects, including building simple applications and tools.
- **Certifications and Self-Study**: Completed online certifications to broaden knowledge in networking, cloud computing, and Linux fundamentals.

Additional Information

With a passion for IT and programming, I am dedicated to continuous learning and self-improvement. My studies in Java and web development equip me with a solid foundation, and I am eager to apply my knowledge in a hands-on environment. I aim to contribute meaningfully to a supportive team while advancing my technical skills and practical understanding of software development.
